MIDWEST OPEN INDOOR ARCHERY TOURNAMENT

Presley's Outdoors, in cooperation with our growing list of sponsors, will host the 4th Annual "Presley's Midwest Open" Indoor Archery Tournament. This tournament will offer a CHAMPIONSHIP division for money shooters with $50 of each Championship Shooter's entry fee going towards their Division's money pot. **This is in addition to an ever growing sponsorship purse of at least $6,000***.
(*Dependent upon Sponsor Contributions)
There will also be a "trophy" division for youngsters and those other shooters that choose not to shoot for money.
***You do NOT have to be a member of any archery association in order to participate in this event.**
****You do NOT have to be a Professional to shoot in the Championship Division**.
***NFAA Equipment Rules used as a *guideline* for all divisions.**
Presley's Outdoors is conveniently located in Bartonville, Illinois, a few miles off of I-474. We offer a well-lighted Indoor facility capable of handling 52 shooters on each shooting line time. This will be the first of a series of Indoor tournaments in the Midwest during the winter of 2011.-2012. So, get your equipment together and come join the fun and competition at this tournament!

December 3 & 4, 2011

Registration:

Early Registration will be offered for LAST YEAR'S shooters from October 1-15.
Open Registration, on a first-come, first-served basis will be open from October 16 to Nov. 14.

Well another ISAA September board meeting has come and gone..... thank you very much to the board members, committee chair-persons and club member representation that was present at the meeting.

We welcome a new ISAA Treasurer – Robert Shipman from Eldridge to the board. Bob has taken the reigns and leaped into the roll with both feet, we truly appreciate the time and effort ahead as he gets acquainted with all of the processes and different tasks at hand in this roll. We also want to thank so much Mrs. Betty Chipman for all the time that she has put in being the previous treasurer for the ISAA. We wish her the best in enjoying her family and retired life. THANK-YOU BETTY!!!!!!

We appreciate the patience of all ISAA members and clubs during the last few months as we worked to get the position transferred over between treasurers.

With the fall weather upon us, and fighting to not turn on the furnace, we hope everyone takes the time to enjoy the beautiful Iowa country side. Best of luck to all those hunting during the seasons that are open and will be opening the rest of the year.

Thank-you! Diana

ISAA's Delta Target Donations at Work Promoting Archery
At the Annual Pheasants Forever Kid's Day (Mud Creek Chapter)

On Saturday, September 18, 2011, the Sharp's helped you kids ages 10 & up learn about hunting & archery. They were given the opportunity to learn how to shoot a bow, BB gun, and a shotgun throughout the day. Each group of @ six kids are supervised by several adults and go from one activity to another such as getting to shoot a BB gun at pop cans, shoot a shot gun at clay pidgeons, learn archery and fly fishing, play a video hunting to see how many pheasants they could shoot in a set time, and each child gets to shoot at a real pheasant as he/she walks with close supervision and a trained hunting dog. Once the shot is made, the dog will track it and bring the pheasant back. Each child gets several chances to shoot again if they miss the first few times. Then the fun part…….they all get to clean their own pheasant (if they want to) or just watch & learn. These kids love and it is a full day of outdoor fun and are ready for lunch when the "dinner bell" rings.

Buck Hollow Sports Archery Pro Shop & Hickory Ridge Bowhunters

The Buck Hollow Sports Archery Pro Shop, which is owned by ISAA member Boyd Mathis, and the Hickory Ridge Bowhunters (Ryan Schumacher) on Lake Red Rock between Pella & Knoxville, have introduced target shooting to many of their members. Hickory Ridge Bowhunters have their 3-D shoots at the Lake Red Rock 3-D course, and they also have an indoor range in Knoxville on the square where they can shoot 300 and 450 targets at 20 yards. Buck Hollow Sports Archery Pro Shop also has an indoor range where they shoot these same targets. Just recently the two have offered target shooting at the Lake Red Rock Range at 60-50-40 yards at a Fita face target (like the Iowa Games and the ISAA Outdoor Target Tournament). Below are a few photos from one of their recent target practices. These guys are good at this!

From the Editor.....

It was a tight squeeze but everything fit within the 32 pages of this Arrow Hound. It includes results & photos from the all new Delta/McKenzie ISAA Trail Shoot, ISAA Field Shoot, Minutes from the Annual Board Meeting, Board Members Duties, and individual contest forms for Deer, Fish, and Turkey Awards. Please do read the ISAA Board Members Meeting Minutes as there has been some changes made and also it will keep all of you up to date of what is going on. If you have any questions about the Minutes, you are welcome to contact any of the Board Members (contact information is on Page 31). Duane Baumler has stepped down from Chairman of the ISAA Scholarship Committee and Jan Kostka has been appointed as the new Chairman of this Committee. As for the Board Duties on pages 23 & 24, these will be updated & add new members at our ISAA Board Meeting in the spring of 2012. I hope all of you had as much fun at the ISAA events this summer as I did. And PLEEESSE send me your photos & information about your hunt trips this fall so they can be shared in the Arrowhound and ISAA Web Master John Shappell will be able to put them on our ISAA website.

Barb Sharp, ISAA Editor

CARP Shooting is a Blast !!

Blake McDonald

Logan Sharp

Logan & Grandpa Ken

Barb Sharp

Blake hit the jackpot at carp shooting with his bow. Being the true fisherman that he is, he wouldn't give away the location of where he shot these monsters but he did give me tips on "when" was the best time to find them in pools.

Ken & Logan & I tried our luck below a spillway this summer and there were plenty of carp but hard to see and too far away. We also tried below the dam at Red Rock where we could see them and I at least got a shot at one "little guy" and hit him and that made my whole day!! If you haven't done this before, you really need to try it because there is still time this fall to do it.

2011 ISAA Annual Board Meeting Minutes
Sunday, September 18, 2011
HyVee Hall, Des Moines, Iowa

The meeting started at @ 9:08 am. those present were: President - Diana Deaton, 1st Vice-President - Dan Veith, , 2nd Vice-President - Ken Sharp, NFAA Director & Pro Am Committee - Norm Swank, 20-Pin Chairman & Pro Am Committee - Karol Swank, , Treasurer - NA, Webmaster/Awards Chairman & Hall of Fame Chairman - John Shappell, Arrow Hound Editor - Barb Sharp, ISAA Secretary - Ross Bretsch, Waltonian Archers - Craig Waite, Pro Am Chairman – Kevin Kramer, Trail Shoot Committee – Ed Horn, Publicity Chairman - John Carlson, Tressia Bretsch - Lost Arrows Archery School, Waverly Archery Club – Finely Manifold, Robert Bridge – Scholarship Committee, Hall of Fame – Patricia Bridge, visitors Gayla Lewis, Bob Shipman (person of interest). (16 voting members) Not represented Bow Hunter Chairman – Erv Wagner, Pro Chairman – Tyler Heck.

Meeting brought to order by President Diana Deaton at @ 9:08 a.m.

- Roll call of members present as stated above:
- Barb Sharp asks to clarify voting rights, she asks if John Shappell would relinquish his Hall of Fame vote so Patricia could vote for that committee, John Shappell agrees.
- Swearing in of new officers, Dan Veith as the new 1st Vice President, Ken Sharp as new 2nd Vice President.
- Nominations for new Treasurer: Karol Swank nominates Bob Shipman, Dan Veith 2nds, show of hands for and none against, **nominations** passed. Mr. Shipman becomes the new ISAA Treasurer.
- Ross Bretsch read the minutes from the field meeting, Ken Sharp States Corrections "**Nomination for 2nd Vice President was made by Dick Stream**", "**Pro-am Chairman needs to be changed to Kevin Kramer**", and a point of clarification "**would also like to make sure that the candidates have ten years or more before eligibility."** Meant to serve on the Hall of Fame Board. Ken would just like to make sure that this was not referring to any candidate being considered. Norm Swank motions to accept the corrections to the minutes, John Shappell 2nds, minutes are approved as corrected. Show of hand for, and none against.
- Diana asks for clarification as to who is on the Hall of Fame Committee, John Shappell states he will bring that up when he gives his report.
- Treasurer/Membership Reports – Bob Shipman, skipped till Mr. Shipman goes thru the books.
- 20-Pin Chairman/Historian – Karol Swank – Past inventory records have somehow disappeared from her computer along with a whole bunch of other stuff, but she presented the board with new inventory, stated she sold $29 dollars at the field shoot and gave the money to Ross Bretsch to deposit in the ISAA account. (see attached report) Show of hands for and none against.

Arrow Hound- Barb Sharp, well last year it was decided to cut back on pages put in the Arrow Hound, but she hasn't seen a bill to see if any changes in savings. She is also working on the five year directory. She does need new pictures of board members and directors. She would like job descriptions as well. Diana asked where or who gets a copy of the directory and it was answered everyone gets a copy. Diana asked if it could be put on the Iowa State Archery Association website to save money. Barb agrees that it would save a lot of money that way. Diana also states that the Arrow Hound is already published on the website and she would like to get the organization more modern. Diana asked if there was an old one that could be sent to everyone so they could update and send it back. Diana states all board members and persons contacted by Barb be courteous and cooperate with her. Barb would also like to contact each club for their information, maps, etc., also would like to get the bylaws updated. John Shappell states there is a page on the website with all the clubs and maps and have sent us there address. Barb asks if it would be hard to add brief job descriptions next to each board member. Barb says if that was all on the website then maybe we could do away with the directory. Ken asks if there was something in the bylaws that states it needed

- to be printed. Barb states not about printing but needs to be updated. Ken says there should be a bylaws change to reflect this update. Dan states it would just need to state electronically. Karol states could it then be updated yearly after the meetings. John Shappell states the reason behind the Directory was to give maps to each new member so they could find the clubs. Karol says most folks have GPS now so they could put the address in and it takes them there. Motion to accept Norm Swank, 2nd Dan Veith show of hands none against.
- NFAA Director - Norm Swank, Reports not much more then last time, except they are going to have a meeting this weekend up in Ames for things that need to be put on the NFAA agenda in Vegas. Just the council members go to this meeting. Diana asks how many people go to this meeting. Norm responds 13, like Ray Jones, if we have something that needs mentioned, but it needs to be given prior to 1 Sept. She asked about the Vegas eeting date 5-7 February 2012. Norm states things can be brought down to the Vegas meeting if they have 16 signatures. Dan brings up Midwest Indoor sectionals; Norm responds that those shoots will be in Kansas City, KS, Sioux Falls, SD and Toddville, Iowa. Midwest Indoor Sectionals 24-25 February 2012. Discussions held. Bob Shipman mentions that the outdoor sectionals were typically the weekend after father's day, but that has not been decided yet. So is there any general information for the Senior Olympics. Dakota Classic and the Unmarked 3D Championship haven't been discussed as of yet. Motion to accept Karol Swank, 2nd Dan Veith, show of hands for and none against.
- Club Improvement Committee – Ken Sharp, Description of club, and guidelines read (see report) Discussion held. Timeline discussion of the one year prior to availability of funds before awards of grant money, so deadline 1 December year prior. If there were three good projects then they may have to split the grant three ways. Bob Shipman asked if $1000 a year was earmarked. This is also matching funds. This could also be put on the website. John Carlson asked if the committee had contacted Ben Berka about the other program the DNR was working through the shooting sports program. Clubs would not need to be an ISAA Charter, just have something to promote shooting in Iowa to be eligible for their grant. Ross Bretsch Motions "We accept the first reading of the ISAA Club Improvement grant guidelines" so as not to waste another year in discussions 2nd Norm Swank Show of hands for against none. Motion to accept Kens Report show of hands for against???
- Awards Chairman – John Shappell – This year we spent $436.12 on all the awards. (see report). Next Aggregate Awards: List of awardees read. Show of hands for, none against.
- Hall of Fame – John Shappell, read the guidelines for the HOF, (see guidelines) John then states the paragraph that is in question or stated for review and or a change: *"The ISAA Hall of Fame was formed in 1987 with the* sole purpose of honoring people who have dedicated their time and effort to the Iowa State Archery Association, *person chosen shall be honored their accomplishments and titles won and years as an archer."* The years as an archer are what we are planning on changing??? "**The ISAA Hall of Fame was formed in 1987 with the sole purpose of honoring people who have dedicated their time and effort to the Iowa State Archery Association, person chosen shall be honored their accomplishments and titles won and at least 10 years as an ISSA member**." A Ken Sharp state thinks that "the ten year" means, a person serving on the HOF Selection board. We basically took the NFAA guidelines, and how they change yearly. Barb Sharp would like to see Pat Bridge head up the committee and revise the guidelines and rewrite them. Make a three person committee and rotating members more like the NFAA guidelines. Diana asks who are the current HOF members, John Shappell, Linda Allen, Pat Bridge, and John Carlson. Question was asked if Linda was still an ISAA member. Discussion held. Dan Veith motions "To follow the NFAA guidelines for the Hall of Fame rules". Bob Shipman asked who was going to review the guidelines and if the committee was going to be amended. Discussion held, Dan Veith with draws his motion. Diana appoints Pat Bridge to head up the Hall of Fame Committee. Barb Sharp motions "that the NFAA Hall of Fame rules be adopted by the ISAA Hall of Fame rules, meaning that they would have three members, rotating every three years, and Pat Bridge chair this committee, Ray Jones and John Shappell" 2nd Karol Swank, show of hands for and none against. Ross Bretsch Motions 2nd Karol Swank show of hand for and none against.

- Trail Shoot Committee – Ed Horn, we did a good job for promoting the trail shoot, we were kind of disappointed in the turn out numbers. But if we look back at the Iowa Pro Am had a slow start but it gets better after that. Correct me if I am wrong but we will move it back one week next year. Maybe additional monies for next year. Did understand the format and the rules, maybe next year we will have different divisions for the bow hunters, target archers, male, female etc. Improvement on how to get and keep the dots on the targets. John Carlson said payouts are a bit off. Since Delta supplied targets so the money numbers need fixed to reflect that. Discussion held. Norm Swank motions "to have committee have the Iowa Trail Shoot again next year 11-12 August 2012" 2nd Karol Swank show of hands for and none against. Show of hands to accept report for and none against.
- Chairman – Kevin Kramer, briefly go over last years results, (See report) Next years Pro-Am is January 6-8, 2012 at the HyVee Hall in Des Moines Iowa. We have signed contracts for the Iowa events center for three years, The rent on this facility is $6,800, $3,500 is being paid by the Des Moines Convention and Visitors Bureau, so out of pocket is $3,300 and there are no additional charges, heat, lights, etc. Four local hotels are on contract and will return a $3 per room back to the ISAA. If the Pro-Am participant registered under the discounted rates. Scheels and given the ISAA and $10,000 naming right just like Delta, that are also offering staff help if needed. We also have a verbal commitment from Mathews. Mid Iowa Archers and the new host club. Diana asks who was on the Pro Am committee, Kevin responds with Kevin Kramer, Norm Swank, and Karol Swank. Trailers storage is still in Mason City, discussed about moving it closer to Des Moines, how it was thought to be a secured and bonded storage facility. Barb Sharp reads an email from Ben Berka to see if there was space to available to hold a NASP State tournament, he would need 20-25 lanes and his officers could run the shoot. Discussion was held as to why NASP shooters could not shoot our yardages and targets. Decision was made that there wasn't enough room or time to shoot. However the shooters are welcome to bring their own equipment and shoot our time slots and lanes. Ross Bretsch motion to accept the report, 2nd Robert Bridge show of hand for and none against.

Break For Lunch

<u>Old Business</u>

Old business – John Carlson has two items for discussion: What are we doing about our ISAA Bond Issue. He stated that he receive three bills for renewal and sent one to Betty Chipman, and received a second notice which he sent to Ross Bretsch, then received a third notice and sent that one to Diana Deaton. Discussion held. Diana stated she has the books and there was a check for the bond, but was waiting till Bob Shipman took over the Treasurer position and to contact the insurance agent to find what the bond policy reads. Second Issue ISAA for the Booth at the Iowa Deer Classic. Diana wishes to put that to a vote of the committee, she wants to have proof that something comes from or results. Discussion held. Barb Sharp motions "to have the booth at the Iowa Deer Classic for the 2012 year, since we got the new dvd/tv and if there are new membership papers marked to see what is generated from the booth this year." 2nd Ed Horn, Show of hands for and none against. John Carlson brings up a point that there are shooters that walk up to him and say that they haven't been paid their winning, and that there are clubs that haven't been reimburse for any expenses. This puts a bad face on the ISAA. Ken Sharp states that in the last couple years, the handoff between new members/officers unspoken things are getting left out of the transfer. Like who was responsible for what items ie. Score cards, registration etc. Dan Veith says there should be a like a blister packet with score cards, registration and it just gets mailed to the host club. Barb Sharp motions "that the second Vice President is in charge of the tournament committee to send out and make sure host clubs get the items needed to run tournament" 2nd Dan Veith, Bob Shipman read bylaws and it states the second vice president will be in charge of all committees. Diana then appoints Ken Sharp to take care of the tournament committee. Discussion held. Karol Swank states that she wanted to get back to John Carlson comment about this money problem. Karol would like to amend or do whatever we need to do keep this problem from coming up again. It should be if Bob cant make a tournament then there is

- a representative there that can issue checks. The Insurance Company has dropped the two signature rule. Ed Horn says shooters don't have to be paid at the tournament, but they would like it within a week. Diana states we were in the middle of a change over of the treasure/books, and all the shooters and club will be taken care of as soon as possible. Bob Shipman is on board now, and once he gets to look at the books, he will issue all monies as needed. Bob also need signature cards and Diana wants to make sure it is convenient for Bob. Diana asks if there needs to a motion regarding the checking on the two signature thing? For the bonding company or the payment for the bonding company? Also for Mr. Shipman to find a checking account in his local area that is convenient for him. This governing body cans choose to make that selection or they can leave it up to the Treasurer. Diana asked if there were any objections to having four names that were able to write checks on the account. Bob says they were going to be doing the books more electronically. Ken Sharp motions "that there be four people that can sign checks: President, Treasurer, 1st Vice, 2nd Vice, and the checkbook should always be present at any shoot and pay anything that is available to be paid.".2nd Norm Swank, show of hand for and none opposed.

New Business

- John Carlson states that the ISAA should establish a 501.c3 designation. He asked for and was told that Don Chipman says they were a 501.c4 for sport clubs. But no one can provide the I.R.S. letter for proof. If we had this designation then outside organizations could donate to the Youth program. I have run into a thing that could possibly take care of all the money issue for the trail shoot. The DNR gives out, if you apply for it, and you have a very good chance of getting what they call a Governor's tag. This is a Deer Tag that nonresident hunters will pay up to $10,000 for; it is my understanding that you have to give half back to the DNR. That leaves $5,000. If the Iowa Bow hunters can get one every year, I don't see why we can't. With the $5,000 we could take care of the Trail Shoot. I looked into that what it would cost to establish our 501.3c and it would cost some money. So any group that is non profit. After three or four lawyers and they get paid by the hour. I checked with my own attorney, he told me that last one he did got rejected and I sent it to a place in Des Moines and boy was that expensive, but in the neighboring town of Northwood there is an attorney that specializes in this and he does it allot. I called and he here is what he said to me "you are inquiring about obtaining a 501.c3 for your archery organization. Basically what needs to be done was to file an IA 1023 application for tax exempt status. Pay the user fee, which in your situation would be $850. Attaching copies of Original Articles of incorporation, and amendments to the Articles, and narrative of what your activities are and why you would qualify for exempt status, as well as a list of officers with names and addresses, and compensation if any." And the lawyers' fee would be in the $500 dollar range. Your organization would be expected to pay out of pocket cost including filing fees. Discussion held. John Shappell motions "that we research to see if we have the 501.c3 Status and if we don't, then follow have John Carlson to go purchase it" 2nd Dan Veith show of hands for and none against.
- Dan Veith expresses a need for "doping policy" for the ISAA membership. Norm Swank stated that the NFAA tried or wanted to do this and did some checking in on it, First thing you need a registered nurse and has to be paid, and second logbook to make sure nothing goes haywire. There is a lot of legal work when infringing on peoples rights. So the decision at that time was to drop it. Karol states that if there was someone that was visually impaired they could be asked to leave by line judges or the police could be called. Discussion held. Dan Veith motions "to check on doping procedures, and visit it again next year, for the ISAA" 2nd Karol Swank show of hands for none against.
- Discussion for three Board meetings a year. Mentions that it is covered in the bylaws page 3. Spring and August (membership) and Annual Board meeting in September meetings.

- Norm Swank asks the question about the Trail Shoot monies being returned to the ISSA after all the expense is paid. Like the Pro-am starts with $5,000 and the end of the Pro-am any monies over the initial $5,000 gets returned to the ISAA. Norm asks if that is going to be the same with it Trail Shoot, start up cost for the Trail Shoott was $100 for the checking account. John Carlson says that they should keep the $146 in the account for next year.
- Norm says there are jobs in the ISAA that each officer is required to perform. John Shappell says he will email out a book that was published by Milt Cluff. The book outlines everyone job descriptions. Discussion held. John Shappell will email it out. Norm also states he would like to see as many State officers at all State Championship shoots, meaning, State Indoor, State Field and State Target. Discussion held.
- Barb asks about up updating the bylaws at the spring meeting if we have one. Bob Shipman has read thru them and has made several changes and she would like several others to review, then possibly we could bring this up for changes.
- Barb aks about the Scholarship Committee, since Duane step down and Janet Koska said she would offer up her services to replace Duane. Barb also asked about the certificates for the two girls. Discussion held.
- Bob Shipman says if you send in receipt, or hand him something and what it is for and then he can process it. At least who gave it to me, what is it for, what was the date, etc. Bob states he hasn't seen the book, so he doesn't know where or if there are accounts to charge them off to.
- Ed Horn discussion on some kind of incentive program, to may bring in new members. I figure if some folks got an incentive they would get new faces in the ISAA. Having a shoot that is non-sanctioned, that could invite new shooter to. Ed asks if maybe we could use one of the current state shoots and invite them to those. Bob says if you're a member of the ISAA organization you could shoot, or if you're in bordering states you could shoot as a guest. Norm states you con only have ISAA awards but can not give out NFAA Championships. Discussion was held to open either the Field or Target round to invite non members. Barb expresses that maybe we should do like a half off for new members, to get them exposed to the ISAA. Barb expresses that this shoot should be held in more than one location or maybe has three or four. Discussion held.
- Bid: **State Indoor Waltonian Archers**, Prices Adult $8, youth $5 and $18.50 per family, plus $1 for registration, targets furnished by club and reimbursed $.25 per target. Motion to accept John Carlson, 2nd Dan Veith, and Date will be 16-18 March 2012 Karol motions to accept, 2nd Ed Horn Show of hands for none against.
- Bid: **State Target Waltonian Archers**, Prices Adult $8, youth $5 and $18.50 per family, plus $1 for registration, targets furnished by club and reimbursed by ISAA. Motion to accept Ed Horn, 2nd Karol Swank, Date set 3 June 2012, Show of hands for none against
- Bid: **State Field Waverly Archers**, Prices Adult $7.50, youth $3.50 and $12.50 per family, ISAA does registration, Ken Is to check later to see if they need target or need reimbursement Date will be 8 July 2012 Motion to accept Dan Veith , 2nd Barb Sharp , Show of hands for none against
- **Trail Shoot:** Diana states there are two Bids for this shoot. One is from Waverly Archery Club $6 adults and that's all that in on the form. Second bid is from Hitaga Archery Club, $5.50 per adult, $3 per youth and they would like ISAA to furnish targets. Discussion held. Barb Sharp motions to have a vote by secret ballot, results were 10 for Hitaga and 6 Waverly; Hitaga was awarded the Trail Shoot. John Carlson motions to use tentative date of 11&12 August 2012, 2nd John Shappell, show of hands for none against,

Motion to adjourn Karol Swank, 2nd Robert Bridge verbal affirmation. Meeting ends

NFAA Vegas Shoot – Februray 10-12, 2012 at South Point Casino & Hotel
See the NFAA website: www.NFAAarchery.org for all other NFAA shoots.

Archery Hopefuls?

Nicole 12, and Anna 7 like shooting archery, but like all other kids, they are really busy with other activities and school. It's a possibility at least one of our grandkids will shoot the Iowa Trail Shoot next summer. Now that would be fun!!!

Duties of ISAA Board Members as Printed in the ISAA Manual
(The Duties of Board Members will be reviewed & updated at the ISAA Spring Board Meeting.)

President: Diana Deaton

The President shall be chief executive officer of the corporation, and it shall be the duty of the President to preside at all meetings of the corporation and of the Board of Governors, and to perform such other duties as ordinarily pertain to his or her office. The President with the consent and approval of the board of Governors shall appoint officers to the board, as may be necessary to carry out the purpose and object of the corporation and such officers shall have the power to vote. The President may also establish committees and committee chairman to preform duties to insure the success of any activates held by the association.

Note: The President also writes a column in the arrow hound for every issue.

First Vice President: Dan Veith

Shall in the absence of the President , preform the duties of the President and such other duties as shall be assigned to him by the President or by the board of governors.

Second Vice President: Ken Sharp

Shall serve on committees as requested by the President and act as chairman of said committee. May serve as Public Relations officer for the Association, and shall perform all duties of the First Vice President in case of his inability to perform his duties.

Secretary: Ross "Spense" Bretsch

Shall keep and preserve an accurate record in permanent form , of all business transacted by the corporation. Attend meetings in which he or she will record said meeting and send copies to the Arrow hound Editor for publication. Make available forms to any new clubs in the state, wishing to join the NFAA & ISAA . Keep a permanent record of all chartered clubs, according to their expiration date ,keep an maintain an up to date membership list, act as liaison between the ISAA and the NFAA in regards to awards from NFAA for a State Sanctioned tournament, plus any other duties assigned to him or her by the President and the Board of Governors as ordinarily pertain to the office.

Treasurer/Membership: Bob Shipman

Shall collect and receive all monies paid to or due the corporation, shall deposit the same in the manner described by the Board of Governors and shall account for all receipts and disbursements whenever called upon by the President or the Board of Governors. Shall pay all outstanding bills and pay host clubs within seven days on the completion of any State tournament, according to their bid, Shall fill out any forms required to maintain Treasure records of all State tournaments. And shall perform such other duties as ordinarily pertain to his or her office.

Membership Chairman- Shall collect all dues pertaining to ISAA only members and new NFAA members. Then send a list to National headquarters along with the dues for the new NFAA membership. Maintain up to date records of all members along with their expiration date ,and send a copy to the State Secretary. for mailing labels ,to be sent to the Arrow hound Editor.

Arrowhound Editor- Is responsible for the Publication and Editing of the ISAA Arrow hound. Along with the help of the printer it is their responsibility to apply for the mailing permit, and to maintain a publication that is pleasing to the eye and has information to insure that our membership knows " what, where, and when" our activates are scheduled. Also to insert articles of interest to our members,and send out the shoot scheduling form to all chartered clubs. The Editor is responsible for getting advertisers to help pay for the cost of printing the Arrow hound. For this the Editor needs help from the membership and clubs throughout the State.

Awards Chairman & Web Master: John Shapell

Shall purchase all awards for every tournament hosted by the ISAA ,including the aggregate award given to the top shooter in each division according to the points earned based on the aggregate system, Records on points earned for the aggregate award must also be kept. The chairman is required to maintain result records of all entrees from each tournament, then a copy is sent to the Arrow hound for publication. The chairman must then maintain a record of awards given out at each tournament,to determine the award cost per event. A final report on award cost is then given at the Sept. meeting. ***Web Master has been newly acquired since the printing of the ISAA Manual and the duties will be updated at the 2012 ISAA Board Spring Meeting.**

Duties of ISAA Board Members as Printed in the ISAA Manual
(The Duties of Board Members will be reviewed & updated at the 2012 ISAA Spring Board Meeting.)

20 Pin Secretary/Historian: Karol Swank

(**These positions may be combined**) The 20 Pin secretary's job is to make available any NFAA awards that can be earned while competing in a National Sanction tournament, and to have in his or her possession any NFAA or ISAA patches or pins the members wish to purchase. The chairman must keep accurate records as to what 20 pin bars have been won and by who. It is also the responsibility of the 20 Pin Secretary to maintain a good inventory of said awards.

Historian- The job of the historian is to maintain accurate records of all members setting new State records at the following tournaments,(Indoor, Target ,or Field) , in accordance to their division. A certificate is then given at that tournament as part of the award ceremony.

Bowhunter Chairman: Erv Wagner

Job is to keep abreast of the latest bow hunting regulation, by attending DNR meetings and report to the Board of Governors any changes. To be responsible for the deer, fish, and turkey game awards for the members who wish to enter. Serve as a committee member for the Bowhunter Jamboree, Send out letters requesting prizes from mfg. for the Jamboree door prizes. Inspect the ranges prior to the Jamboree tournament.

Pro-Chairman: Tyler Heck

Is the link between the ISAA and the money shooting member. It is his responsibility to promote the sport of archery among all members. To serve on the Pro-Am committee to help increase the money in the Pro division and to act as ISAA public relation rep. to other State's Pro's throughout the country.

Past President: Ron Teufel

Shall be a director at large, to act in an advisory capacity, to assist local established and newly organized archery clubs and to perform other duties as may pertain to his or her office.

Hall of Fame Chairman: Patricia Bridge

***The Hall of Fame duties & rules are being reviewed & revised and will be printed in the Arrow Hound after the 2012 ISAA Board Spring Meeting.**

Pro Am Chairman: Kevin Kramer

***This has been an added position since the original ISAA Manual was printed . This will be updated with the other ISAA Board Member duties at the 2012 ISAA Board Members Spring Meeing.**

Publicity Chairman: John Carlson

Main duties are to inform the membership of our main events (State Indoor, Target, Field, and the Trail Shoot), either mailing out postcards of by electronic mail. A fair amount of time is spent on publicity for the Trail Shoot such as creating flyers & distributing them, getting full page ads made up for the Trail Shoot in national magazines as well as the Iowa Bowhunters Association Magazine.

***This has been an added position since the original ISAA Manual was printed . This will be updated with the other ISAA Board Member duties at the 2012 ISAA Board Members Spring Meeing.**

The ISAA welcomed these employees from Delta/McKenzie who made the Iowa Trail Shoot possible by having donated all of the 3-D targets to the ISAA (deer, coyote, turkey, grizzly bear, mountain lion, alligator, etc.). We hope for an even bigger & better Delta/McKenzie ISAA Trail Shoot in 2012.

Thank you Delta/McKenzie

Thank you ISAA Committee Ed Horn, Ron Teufel, & John Carlson for the hours & hard work putting it all together that made it a success.

July	**Waverly Archery Range**	**ISAA Field Shoot**	**Page 25**

Department of Natural Resources (DNR) Archery Booth at Iowa State Fair

One on one instruction!

The ISAA & IBA joined as volunteers to instruct archery on a one on one basis at the Iowa State Fair in August. Ken & I volunteered for a full day along with two IBA members. Next year I would like to volunteer for more than just one day. It was fun to instruct each and every person that came along. Some had never held a bow in their life, teens were really drawn to it, and one lady had not shot in years but had not forgotten a thing and shot like a pro (see photo to the left)l

Pre-Teens Loved It!!

Once an archer, always an archer!

Teens Loved It!!

(If you would like to volunteer to work a day at the DNR Archery Booth in the DNR Building at the 2012 Iowa State Fair (you will be given a t-shirt that says State Fair Archery Staff on it), let me know and I'll put you on a list to give Ben Berka, DNR Officer in charge of the booth. It was really enjoyable to instruct & meet all of these kids & adults.)
