IOWA STATE ARCHERY ASSOCIATION

Letters

Presidents Letter: Spenser Bretsch

The ProAm was an overall success and the best its ever been with over 570 shooters.

The NASP shoot out was another success with 14 registered and 10 shooters came back to shoot on Saturday night with their Pro partners. From my understanding it was the hit of the show and the kids and Pros both loved it and are looking forward to it next year!!

Looking forward in the Iowa State Archery Association calendar: January 29th is the indoor 3D at Echo Valley. Followed by February 4th & 5th shooting a Vegas 300. And Indoor Sectionals which is 25/26th of February. I will need some help on March 4th at the Iowa State NASP Championship, where we have a table and can talk about ISAA to those shooters, along with flyers and info. Please contact me if you are interested. March 10th & 11th is our NFAA Indoor 300 championship either at Waltionians or Webster Country fairgrounds.

The best time for us to get a hold of these National Archery in the Schools Program shooters is to go to their state tournament where we can interact with the top 25% of the Archers in the state and hopefully get some of the flyers home to their club so that they can get teams and individuals to come out to our shoots throughout the summer where the kids can be involved and try new and different types of archery.

I'd like all ISAA members, clubs, and organizations to go out to their local schools that have NASP, help out, talk to them, train with them and maybe invite them to one of our shoots. Your local club shoot will give them a taste of archery tournament other than NASP. All these NASP teachers and coaches have no idea that the Iowa State Archery Association even exists or that the IBA even exists and is open for the NASP kids to shoot at their tournaments. Most of all invite your friends to our shoots! We have a couple new shoots this year and I'd like as much participation that we can get in every club. If they understand that there's more shoots to go to and more fun things to challenge themselves with we should be able to increase our participation.

Sincerely,
Spenser Bretsch, ISAA President

Editors Letter: Amber Witt

Just as Spenser said above, the ProAm was a success yet another year and we couldn't make it happen without all the Board Members, volunteers, and of course the shooters. Thank you for your participation. This year is an exiting year for shoots since we added a couple more tournaments and club locations. This Arrow Hound includes lots of pictures from the ProAm so I hope you enjoy! If you have any questions or are interested in writing an article/contributing pictures for the Arrow Hound contact me at my email: amber.witt02@gmail.com. I'm excited to hear from you! Good luck this archery season!

ISAA Arrow Hound Editor

The North Central Elite Archers is a group of archers who must perform to a certain standard prior to being considered for membership. The head coach is Linda Beck (Maple Lake, MN), also USA Archery's Compound Junior Dream Teach Head Coach, as well as her assistant coaches, Lee Hetletved (Bismarck, ND) and Jack Moulton (Sioux Falls, SD). The premise of this group was to bring dedicated, youth archers together to learn the power of "team" that in turn creates stronger individual shooters. Currently, members are from Minnesota, North and South Dakota, Wisconsin, Iowa and Illinois.

The NCEA archers had a strong presence at the ISAA Pro-Am in January. Pictured below are, front row left to right: Kinley Hetletved (ND), Kaley Smedsrud (SD), Kinzie Thomas (ND), Jessarae Klatt (SD), Cole Zeug (MN), Sawyer Sullivan (MN). Top Row, left to right: Coach Jack Moulton (SD), Cole Smith (SD), Hailey Johnson (SD), Aliyah Sebert (WI), Connor Franklin (MN), Adam Schrader (SD), and Coach Lee Hetletved (ND) not pictured Alex Olson (IA)

Individual results are as follows:

$FFS—Aliyah Sebert (WI)→ 16th

YAFFS—Kinzie Thomas (ND)→ 2nd

YFFS—Jessarae Klatt (SD)→ 2nd

YFFS—Hailey Johnson (SD)→ 4th

YFFS—Kaley Smedsrud (SD)—7th

Dedicated to the
promotion of all
Forms of Archery

EASTON

Dear board of ISAA,
The two scholarship forms will be available on line on the ISAA website and in the Arrow Hound.
We encourage all ISSA member clubs to encourage their high school seniors and college students who are involved in ISAA archery to apply.

If approved by the ISAA board, the following revisions will be included:

b) Applicant must have been an active member of the ISAA for a minimum of 2 years.

Rational: ISAA wants to reward students who are active in ISAA, not merely members, and their amount of commitment is important.

c) Grants will be awarded on an objective basis without regard to race, religion, color, creed, sex, national origin, age, and physical or mental disability. Awards are made on the basis of participation in ISAA activities. Other criteria include academic achievement, financial need, moral character, and such additional criteria as may be deemed appropriate by the scholarship committee. Examples of such criteria include results of performance tests, contributions to school and community, the students application letters, archery endeavors, future goals, potential, reference letters, etc.

Rational: The committee will be able to look at a variety of sources of input in their selection process. Note: archery PARTICIPATION is listed first.

4. How much will the scholarship amount per winner be?

The minimum amount will be $100, but the actual amount will be based on the amount available in the scholarship program at the time of selection. Student may reapply each year. But the student will win only two scholarships with a maximum total award of $1000 per student.

Rational: College students may also apply to further their education. Student may have more "competition" one year than another, but will still have an opportunity another year as they continue to be successful in school and archery.

Reminder
Applications and all accompanying letters for the ISAA Scholarship must be postmarked or emailed to the ISAA chair no later than February 8th in order to be considered for the scholarship.

Rational:
All "paperwork" must be submitted before the deadline so that the committee may make their selection fairly.

Respectfully submitted,
ISAA scholarship committee
